Dear 8th Grade Parents and Guardians,

Your 8th grade year is nearing an end and it is time to start planning for high school! The transition from middle school to high school is very important as it provides students with an opportunity to select courses suited to their individual plans. The staff at Overbrook High School is excited to help you with this transition, and we would like to make this process as seamless as possible.

Please join us **Tuesday, March 5th @ 6:30 pm** in the Overbrook Auditorium to meet with high school administrators and tour the facilities. We will address the current curriculum and the course selection process. Your children will be working with the high school and middle school counselors to select courses for next year over the next few weeks. Our course selection guide is available on the Overbrook website [www.overbrookhs.com](http://www.overbrookhs.com) under the Counseling tab.

*Please note:* Current course performance and annual standardized test scores are two of the multiple measures used to determine your child's placement. Students with IEP's will have course selections finalized during their annual reviews.

We look forward to meeting with you,
